TIMOTHY EICHENLAUB

WORK HISTORY

Software Developer Coordinator

Learning Source | 11-2022 - 5-2023

- Mentored Students, guiding them through the software development lifecycle and developing their coding skills.
- Collaborated with other mentors and faculty to build a community of Software Development students, providing expert guidance and fostering teamwork and continuous learning.
- Utilized a ticketing system to assist students with code-related issues, providing troubleshooting guidance and conducting code reviews to identify and address errors.
- Effectively managed and supported high-risk students, implementing personalized success plans and proactive interventions to minimize the risk of academic failure and maximize their chances of success.

Customer Service Representative

Caliber Home Loans | 2017-2019

- Proactively ensured customer satisfaction by employing forward-thinking strategies to address needs and resolve concerns, leveraging technical knowledge and problem-solving skills.
- Quickly learned and effectively utilized various software programs on a daily basis, highlighting a strong aptitude for technology adoption and proficiency in digital tools.
- Proficiently utilized company troubleshooting resources to evaluate and resolve technical issues, showcasing adaptability and ability to navigate complex systems.

Military Police

U.S. Army | 2012-2017

- Demonstrated exceptional attention to detail and situational awareness while patrolling and securing base facilities and housing areas, ensuring a safe and secure environment.
- Utilized strong problem-solving and project management skills to address complex challenges with significant impact on effectiveness and efficiency.
- Implemented streamlined processes and innovative solutions to enhance law enforcement, physical security, and risk mitigation strategies.
- Maintained accurate and organized documentation of security information, utilizing technology tools to efficiently manage and access critical data.
- Led and coordinated a highly skilled team, fostering collaboration and achieving outstanding results in a dynamic and fast-paced environment.
